Choosing to study isn’t just about selecting the right course. It’s about finding a place that will help you grow, develop new skills and achieve qualifications to fulfill your interests, talents and career ambitions. SM College is committed to prepare you for the working environment and the challenges you will face in your future career.

SM has a culture that puts students first. We are constantly adopting to students’ needs. Our lecturers ensure that time spent at SM is both efficiently and effectively utilized to provide the best possible outcome. We have designed all our teaching methods to enhance your career prospects, enabling you to develop the skills necessary for real success.

By focusing on the needs of students we have designed programmes and activities which have a number of start dates during the year. This flexibility will, we believe, enable more students to benefit from a period of study by responding to individual preferences and circumstances.

We expect our students to work very hard, but we never forget that learning should be exciting and enjoyable. Our aim is to develop a friendly supportive environment, combining cooperation and competition whilst encouraging feedback and open discussion.
We Value

- The successes of our students.
- The excellence of our teaching.
- The impact of our guidance.
- The diversity of cultures, ideas, and insights.
- The development of students’ ethical awareness.
- Our contribution to local and global economic development.

Features

- One of the best colleges on the basis of HSEB result
- Up to 100% result in each faculty each year
- Entrance preparation for Medical and Engineering students and conduct special test during regular +2 classes
- We make our students practice more than 1000 questions in Physics, Chemistry, Biology and Mathematics based Medical and Engineering entrance
- Strong and dedicated faculties
- High number of MBBS and BE scholarship achievers
- Regular remedial classes
- Friendly & supportive environment
- Various scholarships for deserving and needy students
- SM prioritizes culture that puts students first
Admission Procedure

- Those who have completed SLC or equivalent with specified score can apply; for science 60%, for humanities and social sciences and management 50% minimum. The applicant must appear and pass written entrance test conducted by the college. Finally, he or she has to appear in personal or group interview taken by the college.

- The selection of the students will be based on (a) academic base which is demonstrated in written test; (b) interest, willingness and commitment for academic achievement and (c) readiness for observance of the college rules.

Examination

Beside the annual board examinations, following tests, assignments, works and examinations are mandatory for students:

- Three three-hour exams: two terminal and one send-up;
- Monthly and weekly tests;
- Home assignments; and
- Field works and reports.
